RE:Committee C00563296

Dear Mr. Stoetzer:

Kansans for Responsible Government (KRG) files this statement to provide a response to your September 14, 2014, Request for Additional Information.

On July 7, 2014, KRG disseminated advertisements as an independent expenditures. The independent expenditure notices (due within in 48 hours of the dissemination date) were prepared timely and approval for such filings was given on July 9, 2014. Unfortunately, the individual tasked with completing the electronic filing of the reports fell ill and did not file the reports by 11:59 P.M. Eastern Time on July 9, 2014. Instead, the reports were filed immediately upon her return on the morning of July 10, 2014.

On July 24, 2014, KRG timely filed its 12 Day Pre-Primary Report (covering July 1 - 16, 2014) and accurately and timely disclosed these independent expenditure on Schedule E of the report.

In an effort to ensure that all reports are complete and timely filed, KRG has revised and clarified its operating policies and improved its redundancy plan for its FEC report filing.

It is my hope this statement provides an adequate explanation for the reporting of the July 7, 2014, independent expenditure. KRG strives to ensure that its reports remain consistent with the Commission's high standards for public disclosures. Please do not hesitate to contact me if you have any questions or need additional information regarding the 12 Day Pre-Primary Report.

Sincerely,
Willis Hartman
Treasurer
Kansas for Responsible Government
